## Dear Parents and Carers

Firstly, let us welcome you to Delamere C of E Primary Academy. We hope that you and your child will enjoy the exciting transition that awaits you both when your child starts school. We aim to make this time as positive, supportive and enjoyable as possible.

At Delamere, children are encouraged to develop their individual personalities whilst fulfilling their learning potential.

Your child's learning and development is a partnership between home and school. Our communication throughout the year is extremely important, as you know your child better than anyone. We welcome your input, suggestions and comments as part of our ongoing relationship. To make the start to your child's life at school as enjoyable as possible we will be inviting you to Zoom meeting early in July- this will be a chance to meet the teachers, and out more about the school and ask questions. This invitation will also include a class email address, which will allow you to communicate with your new class teacher and teaching assistants.

Unfortunately, due to current circumstance we may be unable to offer new starter sessions and home visits but we will contact you as soon as possible if this becomes a possibility.

As Head of School I am always available to answer any concerns that you may have, and I look forward to working closely with you and your child during your time at this school.

Yours sincerely

Julie Clayton  
Head of School
