

Parent Guide to printing and editing work on Google Classroom

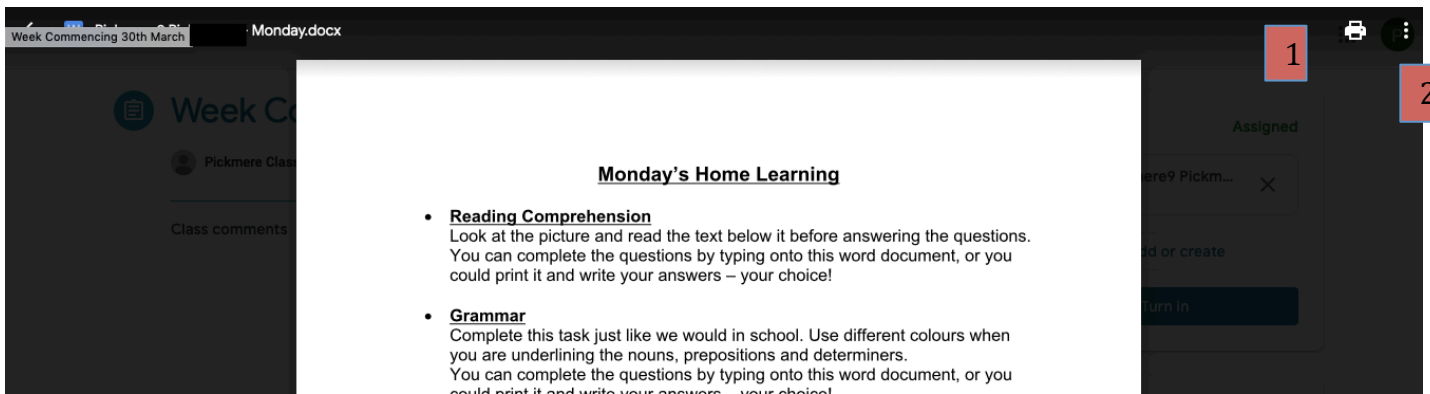

1 'Stream' The first page will contain announcements that appear when work has been added.

2 Click on the new announcement to see what work has been added.

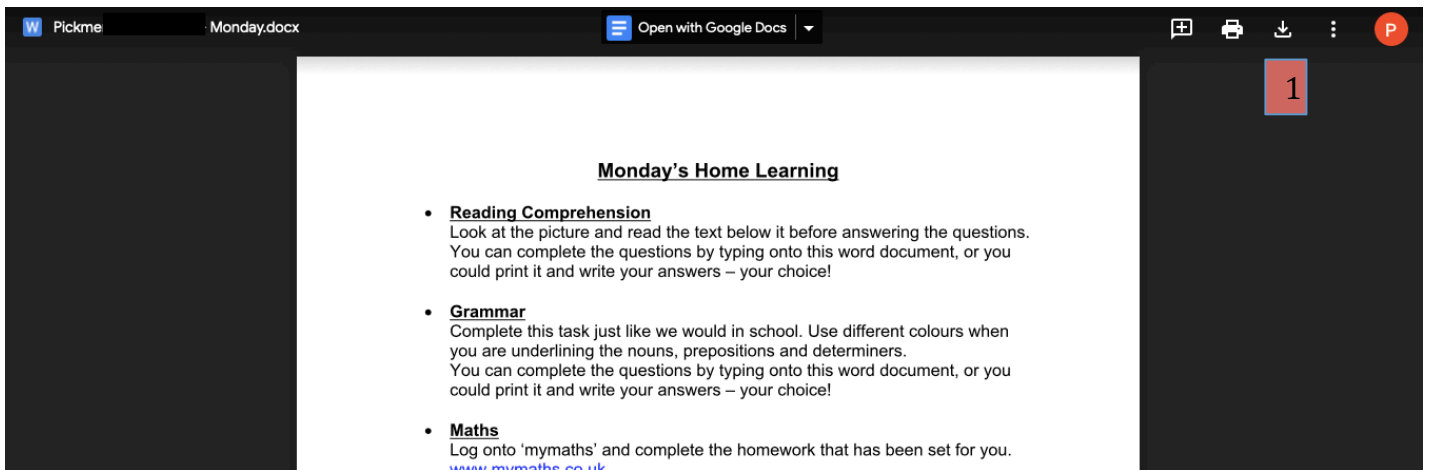

1 Click on the piece of work that you have been assigned.

1 If you would like to print the document and complete by hand, then click on the printer and follow your computers instructions.

2 If you would like to complete your work on the computer then please click on the three dots in the top corner and select 'open in new window'.

1 Once the new window has opened, you should be able to see the following symbol: you should then be able find this file in your computer's downloads. If you open the file you should be able to edit it.
