Number Bonds to 10

In class we have been recapping our number bonds to 10. We have used the numicon to practise finding all the number bonds to 10 and have used the Mac Books to answer questions.

Please complete the questions below to find all the number bonds to 10. Use your numicon shapes to help you, or if confident, encourage your child to work mentally.

Number Bonds to 10

Can you find the missing number bond to make 10 in the robot's tummy?
