Home Learning Grid

The home learning grid will be given out at the start of each half term.

Over the half term you need to have completed each of the tasks and they should be evident in your folders (sometimes the evidence may be powerpoint slides or research, or it may be in the form of photographic evidence in the case of a presentation).

If you have built or made something, your class teacher will take photographs of this to put into your home learning folder.

You need to choose ONE task per week and hand this into school every Wednesday.

The home learning will be recorded in a weekly log to ensure every child has completed their homework on time and that all tasks have been completed throughout the term.

Weekly Expectation

- Year 4 weekly spellings
- Weekly times tables test
- Times Tables Rockstars practise
- Reading to an adult at least 3x per week at home

You can also log on to Purple Mash at home using the same login as your TT Rockstars.

We are no longer using MyMaths.
