

Cursive Handwriting in Oakmere

Within Oakmere and throughout our school, there is a focus on cursive handwriting with an aim to achieve an improvement of presentation of work across the Academy.

We will begin and revise forming letters individually, always starting on the line giving us a 'ski slope' and ending in a 'flick', this will then progress to joining all the lower case letters.

We will encourage children to never join upper case 'capital' letters to the rest of the word and so these letters do not need the 'ski slope' or 'flick'.

If you would like to help your child to practice their cursive handwriting at home please see the image below for the correct formation. If you have any questions or would like know to more about cursive handwriting feel free to come and see Miss Spence or Mrs Williams.
